

# Name Writing Practice

1. Match magnetic letters to sentence strip.

2. Take sentence strip away. Make name with magnetic letters with no visual.

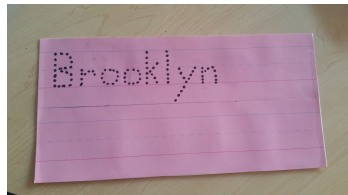

3. Write name at least 3x on Writing Wizard App

\*\*\*Writing Wizard App:

4. Trace and write name on dry-erase sentence strips

5. Write name on whiteboard. (use visual as long as needed, then take away)
  - a. Make sure to emphasize making the letters the same way they did on the writing app (start from top, etc.)
  - b. You may need to model one letter at a time to start with.
