

PowerPoint City Project

Contents:

1. “Develop” a really awesome slideshow about a major US city.
2. Create a Title Slide.
3. Create 10-15 slides of information.
 - A. State and Capital
 - B. Population and other city details
 - C. At least 3 places to someone would want to visit/tour in that city with details about the destination (prices, hours open, what you’d see there)
 - D. At least 3 hotels where someone could stay...one pretty affordable, one middle level range, one high end hotel (prices, accommodations, amenities, etc.)
 - E. At least 3 unique restaurants to the city/area a tourist would want to go to ...cannot be a restaurant that we have within 50 miles of school (so no McDonalds, Taco Bell, etc.)
4. Citations for text and graphics must appear at the bottom of each slide in a textbox and size 8 font.
5. Remember to use Slide Tips from class discussion.
6. Create a Conclusion Slide.

Requirements:

- A. **Transitions**—must occur between each slide
- B. **Animation**—must occur on each slide so that each bullet of information appears individually.
- C. **Graphics**—must appear on at least 5 slides.
- D. **Slide Design**—must use various layouts...don’t want all slides to look exactly the same.

Project Due Date:

April 7 at end of class.
